

## Summary & Response Document

Course code and name: Data Analysis (STATS 4052) 2020-21

Response rate: 12 of 83 (14.5%)

Summary of student comments	Date comment received	Response from Academic Staff	Expected completion date (if required)	Action Owner
Every week's material is very explicit and easy to learn. Interactive online notes. Very clear and neat lecture notes.	April 2021	It is great to receive positive feedback on the lecture materials.	No action necessary.	
A tad more guidance when it came to using Markdown initially. I do feel that this would be given if the course was taught on campus though.	April 2021	We will look into introducing Markdown earlier in the course for students to become more familiar with it prior to class tests.	January 2022	Staff
